GOLF GIN

HOW IT’S MADE
Macerated in our own recipe of botanicals, we combine juniper, angelica roots, lemon, and orange peel with a hint of star anise to create this delicate, light, perfectly balanced spirit.

TASTING NOTES
Citrus forward with a fragrant spice finish makes Golf Gin an even-keeled, unusually satisfying libation.

BEST ENJOYED
With tonic and lime or straight out of the bathtub.

Virjee
Gin and Tonic
